

**Research Forum 2022**  
**October 1 – October 4, 2022 | San Francisco, California**

Research Forum 2022 invites researchers from around the world to submit original research abstracts at ACEP22 on October 1-4 in San Francisco, California.

<https://www.acep.org/master-calendar/acep22-scientific-assembly/>

Online submissions will be accepted in 32 categories ranging from Administration Management to Wilderness Medicine from February 9 – May 18, 2022, at 11:59 pm CST. <https://www.acep.org/education/meetings/research/>

Notifications of acceptance will be sent by email to the submitting author in July 2022.
