

Alteon is a **people-powered, physician-led** group that invests in our clinicians as **people**, not commodities.

We are a collaborative **community** of professionals who embrace honesty, accountability, transparency, and our responsibility to do what is **right**.

Founded in 1971 by emergency medicine physicians, our practice has nearly **fifty years** of experience.

We currently partner with **125+ practice locations** nationwide, and are proud to serve many of the country's most **prestigious** and well respected health care systems.

My decision to join Alteon has had a tremendous impact on the trajectory of my career.

The size of the practice allows for leadership development, mentorship, and a world of opportunities that would not have been possible elsewhere.
